Ana,

I just saw this message and sent in a request. I don't know if they will have a driver available.

I'm still in a mtg.

Good morning Lorena,

I spoke to one of your staff and they mentioned you were busy all morning. I have a quick question. The Councilman is meeting with top executives from LA KINGS this afternoon in hopes of bringing their ice skating rink to USS IOWA this winter. We would like to have the trolley present at the Iowa to demonstrate how we will drive traffic to the Iowa. Is there any way the trolley could show up to the Iowa this afternoon at 230 for 30-45 minutes? I know it's a very late ask but it's worth a shot. Please let me know either way.

Thank you,

Ana
